Dear Sir:

FIRST SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT  
UNDER 37 CFR §1.97(b)

Pursuant to 37 CFR §§1.56 and 1.97(b), Applicant brings to the attention of the Examiner the documents listed on the attached Form PTO-1449. This Information Disclosure Statement is being filed more than three months after the filing date of the above-referenced application but, to the undersigned's knowledge, before the mailing date of a first Office Action on the merits for the above-referenced application.

Copies of the listed foreign patent documents and non-patent literature are attached. Based upon the English language abstract, Applicant believes that DE19643816 involves the preparation of polyurethane comprises reacting polyisocyanates (A) with compounds (B) containing isocyanate reactive groups, where (A) and (B) are produced from an increase in raw materials and also claimed are polyurethanes obtained as above. Also, based upon the English language abstract, Applicant believes that JP5186556 involves a biodegradable polyurethane containing a segment derived from at least one vegetable component selected among (i) starch or a modified product thereof, (ii) molasses, (iii) an agricultural polysaccharide waste and (iv) a

hydroxy-modified vegetable oil. Applicant also believes that, based upon the English language abstract, JP5186556 involves a process for producing a biodegradable polyurethane comprising reacting a polyisocyanates with an organic solvent solution of at least one vegetable component selected among (i) starch or a modified product thereof, (ii) molasses, (iii) an agricultural polysaccharide waste and (iv) a hydroxy-modified vegetable oil.

As the Office has waived the requirement under 37 CFR §1.98(a)(2)(i) for submitting a copy of each cited U.S. patent and each U.S. patent application publication, copies of the listed U.S. patents and each U.S. patent application publication document are not included with the submission of attached Form PTO 1449. Applicant respectfully requests that the Examiner consider the listed documents and evidence that consideration by making appropriate notations on the attached form.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that all of the listed documents are material or constitute "prior art." If it should be determined that any of the listed documents do not constitute "prior art" under United States law, Applicant reserves the right to present to the Office the relevant facts and law regarding the appropriate status of such documents.

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.
